# MEDICAL FAIR ASIA MEDICINE + SPORTS CONFERENCE

---

The 3rd MEDICAL FAIR ASIA MEDICINE + SPORTS CONFERENCE will take place on the 9 September 2020 in Singapore. Held during the leading medical trade show in Asia, MEDICAL FAIR ASIA (9-11 September), regional as well as international, leading sports medicine and sports science experts, physiotherapists, professional athletes, sports techies and visionaries gather together for an interdisciplinary dialogue on innovative approaches in prevention, training, regeneration and rehabilitation.

Founded in 2013 at the largest medical trade show MEDICA, the internationally established MEDICINE + SPORTS ecosystem provides a cooperation platform between international sports medicine and sports science experts, professional athletes and sport techies as well as the sporting goods and healthcare industries. This platform fosters new exchange formats, new sport medical therapies, and innovative products for prevention, training, rehabilitation and population health management.

By joining the 3rd MEDICAL FAIR ASIA MEDICINE + SPORTS CONFERENCE, you will be part of this vibrant ecosystem, network with new partners, and discover and develop new markets.
